## COCKTAILS

All 9

*In the 1920's and 30's, music, art, literature in Harlem flourished under a wave of immigration and the time became known as the **Harlem Renaissance**. It was also the beginning of the civil rights movement, whilst there was a lot of positive leadership and action happening, it came out of a time of great hardship. In these drinks, we are celebrating the leaders, artists and musicians that made the era what it was.*
